

MEN'S MINISTRY TEAM

Adult Ministry at Alexandria Covenant Church

The mission of the Adult Ministry here at Alexandria Covenant Church is to inspire adults to become like Jesus through community. The goal of all our adult ministries is to be a vehicle for adults to do life with other adults living as disciples of Jesus. We do this strategically by encouraging involvement in the life of the local church.

Ministry Team Job Description

Team members are expected to help participate in the planning, promoting, and evaluating of the pre-decided initiatives of the Men's Ministry. These initiatives are to be filtered through the mission, goals and strategy of the Adult Ministry here at Alexandria Covenant.

The following are a few main questions the team will answer for each ministry initiative:

- Does/did this ministry initiative inspire adults to become more like Jesus through community?
- Does/did this ministry initiative connect or deepen pathways for adults to do life together as disciples?
- How does/did this ministry initiative encourage men to further get involved in the life of the local church?
- Does/did this initiative equip women as disciples of Jesus?
- How does/did this initiative send women out to further God's Mission?
- What is/was the goal that we will measure our success by for this ministry initiative?

Team Member Expectations

- Serve one full year beginning and ending in June.
- Be present at monthly team meetings
- Communicate well with team members and those attending/helping with ministry initiatives
- Be present at a minimum of 2 men's ministry initiatives each year
- Willingness to promote initiatives and recruit men to the initiatives (participants and helpers)
- Offer constructive feedback and vision for future initiatives
